

Jesus used stories —

they teach & reach the heart.

Over 80% of the world cannot (or does not prefer to) learn from reading. Story is the communication vehicle of choice for these oral learners.

Interesting... God gave us 75% of the Bible in story format.

Learn ways to tell fascinating, accurate stories and to lead interactive discussions on Bible passages. Listeners grasp truths and pass them on!

“I studied four years to get a degree, and it will give me stature in my village. Now in just four days I learned something that will help me reach the people in my village.”
