Youth With A Mission (YWAM) is a world-wide inter-denominational missionary organization which was founded in 1960, and provides opportunities for Christian service on a short or long-term basis.

The person named above has listed you as their employer or teacher or DTS leader and as such we would ask you to act as a referee for their application to attend this YWAM course. Thank you for your willingness to help us in this process. This Discipleship Training School (DTS)/ School Of Strategic Missions (SOSM) includes three months of lectures and three months of field placement. The field placement could be in primitive and stressful conditions, but will provide an opportunity for the student to use their skills. **It is therefore not in the applicant's best interest to give an unrealistically positive view of them.** An honest, realistic appraisal of the challenges they will face will help rather than hinder their application. If you would prefer to give your opinions by telephone, please feel free to do so.

We need to receive this form before we can process this application - thank you.
